

Reformed University Drug and Alcohol Policy

Georgia law prohibits the purchase or possession of alcohol by a person under the age of 21 or the furnishing of alcohol to such a person. Driving under the influence of alcohol or other drugs is also illegal. It is against Georgia law to, under certain circumstances, walk or be upon the roadway while under the influence of alcohol or other drugs. The punishment for these offenses may include mandatory treatment and education programs, community service, payment of a fine, imprisonment, and loss of one's driver's license. Students facing legal action off campus may also be held accountable by Reformed University and face disciplinary action.

Under Georgia and federal law, it is a crime to possess, manufacture, sell or distribute illegal drugs. Reformed University expects all members of the community to comply with the state and federal laws pertaining to drugs. The use of alcohol, illegal drugs, and marijuana are prohibited at Reformed University for it is incompatible with the mission and goals of this Christian institution.

Note: Statistics must be disclosed separately for each of these four general categories. This means that when an incident meets definitions in more than one of these categories, it must be reported in each category. For example, any Criminal Offense that is also a Hate Crime or VAWA Offense, or results in an arrest or disciplinary action for a Weapons, Drug Abuse or Liquor Law Violation, should be counted as a Criminal Offense and also as a Hate Crime, VAWA Offense, arrest, or disciplinary referral, as appropriate. The Hierarchy Rule discussed applies only when counting crimes within the Criminal Offenses category.
